EXPERIENCE

C++ (Coding Ninjas)

February 2021 – April 2021

Coding Ninjas is one of the best learning platforms. I enrolled

Into C++ Foundation. The course content was very informative

And helpful.

Data Structures, Operating system, DBMS (Prep Bytes)

February 2022 - June 2022

Prep Bytes is good for learning coding. I enrolled into Data Structured,

OPerating system and DBMS, it is very Helpful and improves my coding

skills.

Python Programming, SPIC Chandigarh

July 2021 - August 2021

It was a 4 week training on python, where we learn Python from

Beginning to advance, we also used python libraries like - Tkinter, pandas.

EDUCATION

Guru Nanak Dev Engineering College, Ludhiana — B.Tech CSE

July 2019 - May 2023
